Division of Procurement

**NOTICE OF SOLE SOURCE AWARD**

SUBJECT: Computer Aided Dispatching System

BUYER: Sandra A. Lineberry, CPPB

CONTRACTOR: Enroute (formally GEAC)

This procurement is being handled as a Sole Source procurement based on this written determination. The basis for this determination is as follows:

On September 3, 1997, the Board of Supervisors authorized the Purchasing Agent to award a contract to GEAC Public Safety Systems, Inc. (Enroute) for software migration and implementation services. This software is used for computer assisted dispatching for both the Sheriff's Office and the Department of Fire, Rescue and Emergency Services, Records Management for the Sheriff's Office; Mugshot/ID Photo Capture System; and interfacing to the Virginia Criminal Information Network (VCIN), National Crime Information Center (NCIC), and Motorola Radio System. Extensity software is also used for all Mobile Data automation for the Sheriff's Office and the Department of Fire, Rescue and Emergency Services.

Since the initial contract award, the contract was amended in 2002 with to purchase Incident Based Reporting (IBR) and Accident Reporting software in the amount of \$418,837. In 2003, the contract was amended for the purchase of software and services to implement a mapping display and interface for E911 Wireless calls in the amount of \$125,703. The purchase of additional mobile data software licenses in the amount of \$400,930 was approved in December of 2005. Additional mobile data software licenses in the amount of \$194,655 were also purchased in FY07.

The current contract is due to expire on June 30, 2008. Enroute holds exclusive legal rights to the software and is the only source who can provide the maintenance. There, the County will award a sole source contract for annual maintenance contract to Extensity in the amount of \$308,616.

This contract was awarded on September 10, 2008
